Artwork Proof

PLEASE PROOF CAREFULLY!

Once you approve this proof, full responsibility for the accuracy of the copy, size and positioning of the imprint is YOURS.

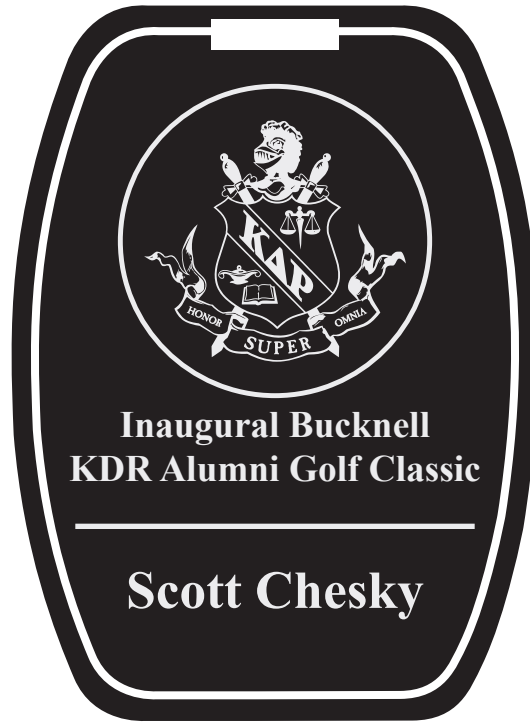

Please pay particular attention to spelling, addresses and phone numbers. Online proofing is to show color and/or color breaks but is NOT an exact color matching system. **We do not match the imprint off outputs from laser and inkjet printers.** We use the Pantone Matching System to match all ink colors, standard or custom. What you see on your computer screen may not match what prints out off your printer.

These methods are subjective and may not accurately represent your final printed product.

Please approve imprint as soon as possible. Please note items are to size and unless otherwise requested, **imprint is made to maximum imprint size.**

Production will start upon approval of this artwork. Any delay of artwork will cause a delay of the shipment.

Please note, email proofs are in low resolution and actual artwork is much cleaner. Thank you!
